In issuing the Glasgow Post-Office Directory for 1905-1906, the Publishers beg to express their thanks for the liberal patronage bestowed on the work during the long period of Seventy-Seven years, and desire to state that as formerly no effort has been spared to render it as accurate and complete as possible. They, however, do not hold themselves responsible for any error or omission.

A Map of the Environs of Glasgow will be found at the beginning of the book. The Almanac, Tide Tables, Banks, &c., Statistics of the Population of the City and Suburbs, the Parliamentary and Municipal Voters for 1902-1903, with the Parliamentary Divisions of the City and Members of Parliament, also the Voters on Electoral Roll for School Board, and the Rental of Glasgow for 1903, with a description of the revised Municipal Wards, will be found in their former positions. To these have been added a list of the Conveners and Secretaries of the various Ward Committees. In the Streets Directory (pages 763 to 1080) the number affixed to the name of each street indicates the Municipal Ward in which such street is situated for electoral purposes. The numbers have been corrected in accordance with the new arrangement of the city wards. At pages 1 to 31 an Alphabetical List of Streets is given; as a handy guide to their situation the capital and small letters prefixed to each Street indicate its position on the Map, and the number affixed its registration district. The large Map, revised and brought up to date by Messrs. J. Bartholomew & Co., Edinburgh, is placed at the end of the Directory.

The various Suburban Districts around the City are given, as formerly, revised and corrected. The Burghs of Govan, Kinning Park, and Partick are incorporated with the General Directory.

In the Appendix will be found useful details regarding various Institutions and Public Offices in the City and Suburbs.

The printing has been done by Messrs. Aird & Coghill, 24 Douglas Street, and the binding by Messrs. Gowans & Gray, Ltd. 58 Cadogan Street.

All communications on Directory business should be addressed to the Editor, Post Office Directory, Glasgow.

Note.—In the above valuations, standard gold is estimated at 77s. 10½d., and silver at 5s. 6d per ounce, an overvaluation at present, but in countries with a silver standard, such as India, the relative sterling value of money changes with the current price of silver, which, in November, 1892, was 3s. 3d. per oz., the rupee being at that date about 1s. 3d. of sterling value. No account is here taken of the value of paper notes having a forced currency and only convertible from the nominal value to gold at a greater or less discount.

"There is a bright spot in the career of any business man when he comes to realize that there is no better medium for extending his trade than Good Printing and Advertising."

You see our Name below and what we Do. The NAME is possibly not yet widely, but it is favourably known (ask your Printer about us). The WORK is not what we see others doing and which we ourselves would like to do but can't. It is what we have been doing every day—all the time—for a few years back. There is thus no experimenting with its inevitable expense and ultimate disappointment.

Starting Business.

It is now recognised that one's Business Stationery is not a "negligible quantity," but that its quality and get-up is worthy of some attention. It worries the Progressive Man the sight of the same undistinguished looking, often shabby and inconvenient Stationery, in use in and leaving his office year after year. He has already shewn his Stationer what Up-to-date Firms use in Stationery, without improvement; or is too busy keeping things going to attend personally to the matter. What then is he to do? Let him send for us. It is such cases we specialize in, and which we cure every day. If therefore it is essential that every firm's Stationery should be brought Up-to-date, why not Start Up-to-date?

Those Starting Business have a unique opportunity. They are not handicapped by connection with a good old-fashioned Stationer, whom they "don't care to leave." We say to such, Start with your Stationery Right. It costs little more than the other. It is more economical; giving less waste in use and expediting the Work which is time and money saved. It fulfils its use, and is an advertisement all the time. As the clothes denote the man, a firm's Stationery proclaims the substantiality of the House, or otherwise. That is GOOD Stationery we talk of: we supply it, and no other.

Most Stationers are concerned only with the getting of Orders; the turning of Orders out RIGHT - Up-to-date in Style and Material is our principal concern. This we think the more important as it is the more difficult part of our business, and we have consequently given it the greatest attention. It is comparatively easy to be the first kind of Stationer, the other is not so easy, and their number is few.

We say therefore, start with us and you'll be Right. Complete Office Outfits from Pen Point to Roll-Top Desk.

Some of the advantages we offer are :-

A large and varied Stock of every class of Paper, Book and Sundry.

Well equipped Factory with most recent Appliances, Staffed by experienced Workers, and all directly under the eye of the Principals.

Best Work and Good Quality Material at Moderate Prices.

Intelligent understanding of Orders. Care in Execution and No Bungling.
